

An aerial photograph of a forest floor covered in light-colored wood chips. Numerous tree trunks of varying heights and thicknesses are scattered across the scene. In the center, there are several black silhouettes of people and objects: a person walking, two people sitting on chairs, a person bending over, a person walking a dog, a person on a bicycle, and a person in a wheelchair. A black starburst shape is also visible on the left side. The overall tone is dark and moody.
